## Mission

To **empower companies, artists, and brands** at the intersection of entertainment, marketing, and technology by delivering high-impact strategies that drive sustainable growth, meaningful engagement, and operational excellence. My north star is measurable transformation—through data, creativity, and visionary leadership.

**Brad Stewart**  
Founder

## Highlights

**I don't just bring experience—I bring scalable solutions.**

- Multi-million dollar GTM campaigns
- AI-powered SaaS product co-development
- 400% sales increases for clients
- 20M+ in generated revenue
- Booking systems and CRM architecture that saved
- 96hrs a month YoY

## Competitive Advantages

- 20 Years of cross industry leadership in music, entertainment, and marketing
- Proven builder: Scaled teams 1-12; scaled results 10X
- Deep fluency in publishing, booking, management, and digital transformation
- Lean Six Sigma certified + pre-Ai process optimization pioneer
- Strong network across the U.S. and global entertainment markets
- Trusted by CEOs, artists, and promoters alike
- Creator of Music Mogul Ai: A next-gen music business platform

## Financial Consideration

As a top-tier executive driving enterprise-level value measured in millions, I seek a total annual compensation package of \$250K-\$300K. I've led operational strategies that created over \$1M in cost savings and helped companies realize growth exceeding 40% YoY. I focus on **long-term value creation, brand equity, and team leadership** to drive ROI that outpaces my compensation many time over.

## Consulting & Mentorship

My consulting and mentorship services blend deep industry expertise in booking, publishing, marketing, and touring with personalized, actionable strategies that turn musicians into entrepreneurs. With helping more than 100 national and international touring acts scale their careers, I have **brought a results-driven, systems-based approach to artist development.**
